AMM02TBCA | Targus 2-in-1 Stylus for Tablets, iPad®, iPhone, Smartphones and more

The Targus 2-in-1 Stylus for Tablets makes it easy to take notes, draw or simply turn a page. Featuring a durable rubber tip that won't scratch the surface of the tablet, the 2-in-1 Stylus allows the user to type accurately and comfortably. The tip of the stylus engages directly with your electronic, touch-screen device, requires no power or software to operate and instantly works right out of the box. If you need to jot down notes during a meeting the other end of the stylus conveniently functions as a pen. The 2-in-1 Stylus is compatible with standard Parker Ballpoint refills.

Allows users to type accurately and comfortably; use to take notes, draw or turn a page; soft, durable rubber tip wont scratch screen; Other end of the 2 in 1 Stylus functions as a ballpoint pen for traditional notetaking

Stylus works on all capacitive touch surfaces; use with iPad, iPod Touch, iPhone and other touch-screen devices
